Please inform your server *before you order* that you are participating in Reno Soup Week and give them the soup coin for their establishment. You must provide the location's soup coin to receive the complimentary soup. Each soup coin may only be used once and will not be returned to you.

Have your server sign or punch their logo on the last page of your passport.

While it is not required, we encourage you to explore the menu at each location and 'upgrade' your experience by ordering additional items.

Snap some pictures of your experience and post on social (be sure to tag @RenoSoupWeek and use #RenoSoupWeek).

Whether you purchase additional items or simply redeem your coin for the complimentary soup, if you dine-in, please don't forget to tip your server!

Repeat at next location!
